

DATE.

Dear Parent/Guardian,

As you are aware, there have been some cases of viral illness across the student population. Unity Concord is committed to reducing the spread of this infection. A deep ozone clean was completed in the Kindergarten/Grade X classroom yesterday evening, DATE. Today school administration and management have decided to complete further ozone cleaning of all shared classrooms; computer lab, art room, library etc.

Please continue to monitor children for any signs of fever, vomiting or diarrhea. If you have any concerns, do not hesitate in taking them to visit your family doctor.

Sincerely,

Unity Concord International School Nurses Office
