Dear Parents and Guardians,

We would like to inform you that, due to safety concerns, students from Pre-K and Kindergarten are not allowed to play on the large playground before or after school. All Pre-K and Kindergarten students are welcome to use the playground in the Kindergarten play area, if they wish to play before or after school. Grade 1+ will use the larger playground only. This will help to reduce the possibility of an older child hurting a younger child while playing.

We thank you for your cooperation in this matter and hope that you can understand that your child's safety is of the utmost importance to all Unity staff. Should you have any further questions please do not hesitate to contact the school office regarding this matter.

Regards,

Unity Concord Nursing Team
