

DATE

Dear Parents/ Guardians,

School field trips will take place xx/xx/xxxx. As you are aware the air quality is currently unpredictable. If you are concerned about the air quality during the trip, we would recommend that you provide your child with an **N95 face mask. To protect children from the toxic air particles it must say N95 on the packaging.** Single use medical masks **will not** prevent your child from breathing in dangerous air pollution.

Should you require any further information please do not hesitate to contact the school Nursing Team.

Sincerely,

Unity Concord Nursing Team
